Subject: Ocean Trails Reserve Maintenance Matrix Update 6-17-19

Hello Lili. I hope you are doing well.

Attached you will find the updated maintenance matrix for Ocean Trails Reserve. I had no current updates for items previously submitted, but there are numerous new items listed. There are new items on the pages representing the following trails: Catalina, Gnatcatcher, Dudleya, Sunrise, Sunset, Sagebrush Walk, East Portal, West Portal, West Bluff and Coastal Switchback.

Thank you and take care.
